Total Profit: - \$17582.97

Moved – Sara Parfett. 2nd – Carolyn Dingle.

Principal Report (Karyn Bjelke-Petersen):

- Last day of Tennis court today with the start of the new building. We will be expecting the arrival tomorrow with the trucks coming in. We had a last photo of the Tennis court with a drone. Neighbour's on Weiden Street have been notified about the start of the building of the new Building.
- New Staff – Scott Collier Primary PE & VET coordination for the secondary students, Holly Livett Wellbeing & Yr 4P, Victoria Dunkin in secondary. Long Service Leave is taken by Amanda Roberts and Suz Wilks. We also have some staff attending various curriculum PDs with Jan working with primary staff and Steven Huth with the secondary staff.
- Eisteddfod being busy with Choir and the Band. Bill Sharp has been away, and Steven Lake has been helping in his absence. The dance group (which has been practising during lunch breaks) put a piece in and came 1st in their section.
- Years 8-9 enjoyed their camp, and Years 10-11 will be going on camp soon.
- Year 10 students are currently doing set plans which are in progress with Steven Hough.
- There are some Secondary students starting to undertake to go to TAFE.
- End of this Term the school is going through the next step in the strategic plan which means putting together data from all our stakeholders. This helps come up with key priorities that all the stakeholders agree on that will provide the framework and direction for the next 5 years. Being placed on June 9th and 10th.
- Other events we have been involved with have been the show display.
- Walk my Way 13km walk is a fundraiser. Information about this event has been placed in newsletters and a lot of communication with students as well. This fundraiser will help send children to school in a refugee camp overseas for only \$26.00 for 1 year including food. So far we have raised enough to send 128 students.

General Business:

- Summary of Bookarama
- Will talk more about the P&F Levy discount in the next P&F meeting.
- Movie Night in Term 3 due to the cool change coming in quickly.
- Disco Term 2 instead of 3. We will have a new DJ and the theme will be Space. It was put forward that we have more helpers with vests due to the children being so busy. We will include grazing boxes that will be for sale through try booking. As well with student tickets will include a sausage and drink. Hoping that maybe some of the older students would like to help as part of their leadership career. We will also have tables around the covered area and will run from 5.30pm to 7.30pm.
- P&F is looking into coordinating a calendar for next year with the celebration going through to year 12.
- Email Received – Melissa Draper asked about lunchtime play for students in the Library including different games. We will talk more and ask for a list of some resources they would like, then we would respond with what the P&F would be able to support.

- To help the younger students in training for sports with sets of foam discs and javelins. We have asked that Steven send through some information including prices via email. Will consider class sets to help with time management which benefits the children.
- Area for the High School Students to be able to socialize as these students used to use the Tennis Courts a lot. There will be more hard surfaces provided for High School students in the future. The playground already has some gym equipment for something different for the students. Once the building has been completed, we will readdress more for the High School Students then.
- Trying to encourage more parents to volunteer and to talk with Graeme Moseling.

First: Carolyn Dingle

Second: Kylie Birch

Next Meeting: 24th of July 2023

Meeting Closed at 7.10 pm
